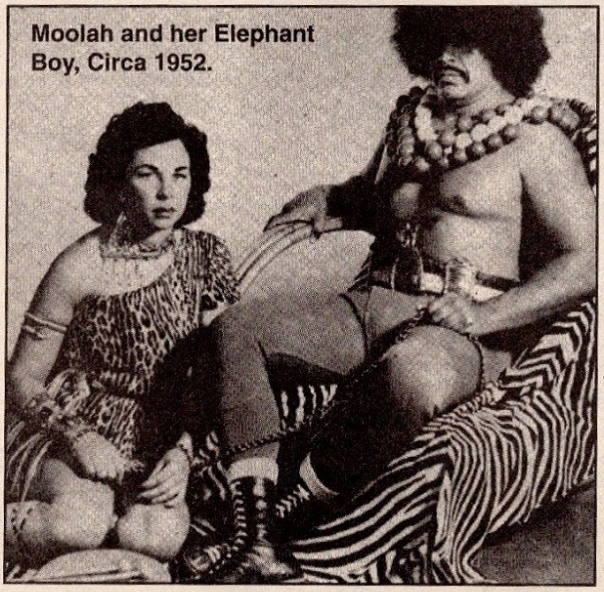
Let's hear it for the Ladies

Road Warrior Hawk, Tito Santana and Sgt. Slaughter of the AWF give Kimona Wanalaya the ol' HIP HIP HOORAY!

You are holding the first edition of our all new Beauties of Wrestling. Several years ago, during the hey day of woman's wrestling, Starlog issued 8 issues of Beauties of Wrestling. At that time there were quite a few women wrestlers competing in the U.S. and a magazine of this type was a necessity. After a couple of years the number of woman wrestlers competing in the U.S. began to dwindle, and it eventually reached a point where there were only a handful of women wrestlers on the circuit. With this, however, there emerged a new breed of woman. Now instead of wrestling inside the ring, these woman were positioning themselves on the outside of the ring and encouraging their men on to victory. With this "valets" came into vogue, and this issue of Beauties of Wrestling is devoted exclusively to the many valets/managers that have become an integral part of the wrestling scene.

While many may think that valets are a 1990s phenomena, actually valets have been a part of the wrestling scene since the 1950s. In fact the Fabulous Moolah, who was perhaps one of the greatest women wrestlers ever, actually began her career as perhaps the first female valet! She was known as "Slave Girl" Moolah, and she was the female attendant for the Elephant Boy way back in 1952!

It wasn't until the eighties that valets/managers began to become popular. One of the first valets' of the era was Sunshine. She was "Gorgeous" Jimmy Garvin's valet and together they were very successful. Eventually Garvin and Sunshine traveled to Texas and after the two had a falling out, Precious became an integral part of Garvin's entourage. Eventually Missy Hyatt joined these ladies in Texas, and one of the most memorable matches of that era was a mud brawl between Sunshine and Missy in front of 40,000 fans in Texas Stadium.



Moolah and her Elephant Boy, Circa 1952.

Meanwhile, in Florida, The Fallen Angel had taken the Sunshine State by storm. She was introduced to the sport by the maniacal Kevin Sullivan. After several years as Sullivan's valet, the Fallen Angel transformed into Woman! Another notable valet in the 1980s was Baby Doll. She was Tully Blanchard's companion along with quite a few stars in the early days of WCW.

Other notable "valets" include "Sensational" Sherri and Luna. Both of these ladies began their careers as wrestlers before turning their attention to managing. Incidentally Luna was also part of Kevin Sullivan's maniacal entourage in Florida.

Many people may not realize that Madusa, the former WWF Woman's champion and currently the number-one contender for the WCW Woman's crown was also a valet/manager in the AWA during the eighties. Today Madusa continues to wrestle, but you can be sure that she will return to managing after her wrestling career winds down.

From this it's obvious that valets are not a 1990s phenomenon! But the valets of today have become a much more integral part of the wrestling scene than anytime in the past. Due to this, we present Beauties of Wrestling. We hope that you enjoy it as much as we did putting it together.

DO YOU WANT TO ATTRACT WOMEN? AND DRIVE THEM WILD?

HOW WOULD YOU LIKE TO GET TO FIRST BASE EVERY TIME???? "ATTRACTANT 10" IS THE MOST UNDETECTABLE FEMALE ATTRACTANT PHEROMONE. THE SCENT THAT ATTRACTS WOMEN WITHOUT THEIR BEING AWARE OF IT.

An Amazing SCIENTIFIC DISCOVERY has shown that Pheromones have the power to draw females to them . . . just as the scent of flowers attract honey bees.

Pheromones, the scientists say is a body chemistry and smell which is not consciously detected or recognized. Pheromone is natures way of attracting the female sex.

Users report: "I was at the bar alone when the girlfriend of my best friend came up to me and told me how manly I looked and what a nice body I had."

"I am pleased to say that I was groped and fondled INTIMATELY at a disco by a female. . .while wearing it on my jacket."

"A very casual lady friend suddenly seduced me. . .she shocked me as this was out of character for her."

Shy man at dance gets asked to dance by several different girls at different times. His men friends were driven with envy.

ENJOY LIFE TO THE FULLEST!

Keep Pheromone Attractant 10 with you at all times! In any emergency!

See a cute, sexy looking girl?

1. Give yourself a spray or two.
2. Just walk over to her (being sure to get close enough so she gets a whiff).
3. Watch out for some REAL ACTION!!!!!!

Husbands reported INCREDIBLE PERFORMANCES with previously bored and disinterested wives.

Military Servicemen had outstanding success with local WOMEN who were TOTAL STRANGERS to them when they met.

Men going into bars reported actually being swarmed by WOMEN within minutes after walking in.

Men at lounges, clubs and parties reported being SURROUNDED by both MARRIED AND SINGLE LADIES.

Traveling salesmen and door to door salesmen reported increased sales and literally being DRAGGED IN BY FRUSTRATED HOUSEWIVES.

Additional facts and reports:

Blondes and redheads notice Attractant 10 more quickly. Is this why blondes have more fun?

Attractant 10 sprayed in one part of a room will cause women to congregate there.

WORKS INSTANTLY!!!

Even if the man is short, fat, bald, old or unattractive to ladies, just one single spray of Attractant 10 immediately sends a chemical reaction to the women around him.

"INSTANT SEX-APPEAL"

Remember!!!. . .It costs you more to buy drinks and to entertain a lady. . .than it costs for One Bottle of ATTRACTANT 10. . .100% SUCCESS WITH THE LADY. . .(If you know what I mean). YOU SIMPLY CAN'T LOSE. ***Money Back Guarantee***
